# WARE VALLEY GARDENS

Ware, Massachusetts

We are pleased to present to you our fourth annual Price List of Gladiolus and Dahlias. In our list you will find the best of the older varieties and some of the best in the newer ones, all within the price range of the average flower grower. From a modest start in the bulb business four years ago we have been honored by an increasing business each successive year, many of our orders being repeat orders from satisfied customers and their flower growing friends.

If you have not purchased from us in the past may we have the pleasure of receiving a trial order from you this season?

## Please read before ordering

All orders will be filled from clean healthy stock. Any bulbs blooming untrue to name, will be replaced free of charge the following year, or cash refunded upon notification.

We do not substitute on varieties ordered but if out of size wanted will fill your order with larger or smaller bulbs of same variety giving equal or better value.

We have made our prices low enough so that we can eliminate all confusing special offers or discounts, but when cash is sent with order we will allow 5% cash discount.

One (1) or two (2) bulbs will be sold at the ten (10) rate but each item must be for 10¢ or more.

All bulbs fumigated before shipment. All prices quoted are PREPAID.

## GLADIOLUS PRICE LIST—All bulbs PREPAID

One (1) or two (2) bulbs at 10 rate. No single item for less than 10¢
